**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The information collected is used to determine if applicants are medically qualified to perform the duties associated with the class of airman medical certificate sought. The Federal Register Notice with a 60-day comment period soliciting comments on the following collection of information was published on February 11, 2014, vol. 79, no. 28, page 8233. FAA received one comment from the Equal Employment Opportunity Commission regarding Form 8500-14, noting that when used in the employment context, line 5 of the form, which asks whether the applicant has a family history of glaucoma, poses a conflict with the requirements of Title II of the Genetic Information Nondiscrimination Act of 2008. FAA will be considering this comment in an upcoming update to this form.

**DATES:** Written comments should be submitted by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.
